Exciting Opportunity at Crystal Ridge Distillery: Join Us as a Dynamic Day to Day

Production Operations Manager!

Crystal Ridge Distillery, a small family-owned business and leading distillery in the region, is on the lookout for an energetic and passionate Production Manager to spearhead our production processes and ensure the creation of our top-notch spirits-based beverages with efficiency and flair. If you're a self-starter, a team player, and thrive in a relaxed but fast-paced environment, this is the perfect role for you!

Responsibilities that Ignite Your Passion:

Take charge of the entire production realm, from scheduling, inventory management to supply chain coordination, and quality assurance to exceed expectations.

Ensure strict compliance with state, federal laws, regulations, and uphold our unwavering commitment to food safety standards.

Innovate and develop cutting-edge standard operating procedures (SOPs) that will make waves in the industry.

Masterfully handle production budgets, identifying ingenious cost-saving opportunities that keep us ahead of the competition.

Collaborate closely with product distributors, leaving your mark on strategic partnerships.

Be the bridge between our visionary ownership team, the vibrant sales and marketing teams, and other heads of departments to flawlessly meet product forecasting and production demands.

Be the driving force behind continuous evaluation and improvement of production processes, raising the bar for efficiency and unrivaled quality.

Recruit, train, and inspire a team of production superheroes.

Keep meticulous records and generate insightful reports that showcase your achievements.

Fuel your creativity with product development initiatives, bringing new flavors and products to life.

Oversee maintenance and preventative maintenance of all production equipment, ensuring smooth operations at all times.

Never stop learning! Engage in professional development by attending conferences and symposiums that keep you at the forefront of the industry.

Requirements for Aspiring Trailblazers:

A Bachelor's degree in Business, science, or a related field that sets you up for success is a plus but is not required.

A minimum of 1-2 years hands-on experience in the exhilarating world of food or beverage manufacturing or production management.

A vibrant personality with natural leadership abilities and outstanding communication skills that energize your team.

A knack for solving problems and making informed decisions, driving us towards unparalleled achievements.

Thrive in a fast-paced environment, juggling multiple priorities with finesse.

Impeccable organizational skills to keep our operations running like a well-oiled machine.

A passion for distilling equipment and processes that make our spirits truly extraordinary.

Deep understanding and experience with regulatory compliance and safety standards, ensuring our products are both exceptional and safe.

Tech-savvy with proficiency in Excel, Word, Outlook, and Google, because we work smarter, not harder.

Familiarity with HAACP, GMP, GLP, Lean Six Sigma is a bonus—your commitment to excellence shines through!

Perks That Energize Your Journey:

Competitive compensation based on your experience—show us your worth!

An exclusive employee discount to enjoy our remarkable spirits.

Take care of your dental and vision needs with our insurance benefits.

Recharge and unwind with generous Paid Time Off.

Don't miss out on this opportunity to leave a mark on the spirits industry. Join the Crystal Ridge Distillery team and embark on an exhilarating career adventure. Apply now on our website. www.crystalridgedistillery.com or a direct link <https://form.jotform.com/260125859076159>
